

TEACHER'S COVENANT

As a teacher in children's ministry I will earnestly strive to:

- ❖ Set a godly example for my students in faith and practice.
- ❖ Have daily fellowship with the LORD. Bible reading/study and prayer.
- ❖ Worship regularly with the Covenant family on the Lord's Day.
- ❖ Pray weekly for my students and co-teacher(s), secure a prayer partner who will faithfully pray for me and my class and pray with the children during class time.
- ❖ Prepare lessons well. Study the Scripture lesson early in the week, leaving time to plan activities and gather supplies.
- ❖ Follow up promptly with absent students and visitors - a card or a call.
- ❖ Meet the parents of my students and enlist their involvement. (Parties, service projects etc.)
- ❖ Participate in teacher training unless hindered by Providential catastrophe.
- ❖ Be on time. That means 10-15 minutes before starting time.
- ❖ Keep my room neat, welcoming and helpful for learning. Return equipment and supplies to appropriate places. Make good use of wall space and bulletin boards.
- ❖ Keep accurate attendance records and recognize students' birthdays.
- ❖ Find an approved substitute and notify children's director when out of town or unable to teach.
