# Four characteristics of effective leadership from the lives of Moses, Aaron and Miriam

## A. Focused Leadership

- 1. READ: Exodus 32:35; 33:1–3, 12–19; 34:6–10; 29
- 2. RESPOND:
  - Moses was a man focused not on others, not on self, but on God's Glory.
  - God described the people Moses was leading as stiff-necked.
  - Because of this, God's presence would not go with them.
  - Moses pleaded with God on the basis of God's covenant promise that they were his people.
  - Gods response: "My presence will go with you and I will give you rest."
  - God's presence distinguished his people from all the other people on earth.
  - Moses asked to see God's glory, and God showed him his goodness.
  - Moses' response was to worship and to pray for the people he was to lead.

#### 3. REFLECT:

- What is my cry of leadership? Show me Your glory?
- What distinguishes my life and leadership from those around me?
- What words or phrases describe what radiates from my life and leadership?
- Is my first response to worship and pray for those I am called to lead?

## **B.** Submissive Leadership

- 1. READ: Exodus 14:30–15:21
- 2. RESPOND:
  - Miriam showed submission by actively pointing the women to Moses' voice and to his theology of Gods goodness, greatness, and grace.
  - Moses' song exalted God.
  - He used the name LORD which was the Hebrew word Yahweh.
  - When Miriam took a tambourine, all the women followed her.
  - Miriam echoed Moses' song.
  - Miriam was doing what Paul later told Titus to equip the older women to do.
  - The older women are to take sound theology and make application to the lives of women.
  - Miriam was a true helper and she trained the women to follow Moses' leadership.
  - There was no self-promotion and she did not sneak in her own agenda.
  - This type of leadership nourishes unity in the community.

#### 3. REFLECT:

- What song are you singing as a leader?
- How does it echo the song of the male leadership in your church?
- In what concrete ways are you cultivating community and compassion through your leadership?
- Describe your leadership strategy to encourage and equip women to fulfill their Godgiven design.

# C. Humble Leadership

- 1. READ: Numbers 12:1–16
- 2. RESPOND:
  - Miriam was tripped up by pride.
  - Pride is so subtle and we are so susceptible.
  - "He must increase, and I must decrease." John 3: 30
  - Pride caused Miriam to become a hinderer rather than a helper.
  - But there is great hope for the hinderer because of the gospel.
  - Her mediator prayed for her and she was brought back.
  - God uses true repentance to transform a hinderer into a helper whose leadership can take on a new dimension.

#### 3. REFLECT:

- Share an experience where the power of the gospel transformed you from being a hinderer to a helper.
- List four or five potential leadership stallers or stoppers and make them a matter of prayer.
- What is one way that you can lead others as the chief repenter?

## D. Life Giving Leadership

- 1. READ: The Leadership chart on the next page.
- 2. RESPOND:
  - As leaders we are either LIFE-GIVING, breathing life in and fulfilling our helper design or we are LIFE-TAKING, sucking life out and impacting others as a hinderer.

#### 3. REFLECT:

- Circle one area you can celebrate an evidence of God's grace.
- Circle an area where you repent and can commit to prayer.
- Circle any areas that could be potential blind spots.
- Add your own leadership insights
